

To  
CSIT Member Unions

Rome/ Vienna, July 7<sup>th</sup> 2020

Dear friends,

I am writing to you with the hope that in the last months we have been able to acquire enough awareness and capacity to being able to prevent and contain the Coronavirus Pandemic in order to guaranty the safety and to promote the health of our communities and people.

That is the time of the recovery of many of our activities and of the planning of new CSIT initiatives, thanking of the work that CSIT Executive committee members, CSIT staff and Technical Commission members have been doing during the last months, despite the pandemic and using mainly the opportunity of our online instruments.

Especially, I would like to thank the work of the TC's members, both chairs and secretaries, led by our Sport Director, Mr. Henk Bouchoms, and by the Deputy Sport Director, Mr. Georges Michel, who enabled us to increase the quality of the work we are supposed to do to promote the amateur sport movement, all over the world.

Looking at our future, the next edition of the CSIT World Sports Games 2021 (WSG) would represent a moment of huge revival of our Confederation, a chance for ourselves to enjoy the strength and a message of unity of CSIT family.

Unfortunately, the next edition of our Games will not be held in Zagreb, as scheduled. Zagreb is a city, that has recently suffered not only for the Pandemic, but that has had to endure an earthquake. Both events, together, have weakened the local institutions, which are no more able to warrant the respect of all the requirements linked to the organisation of a WSG, according to the high standards we need for our athletes, clubs, managers and technicians and their supporters.

It is especially now the time that a WSG Edition shall offer to CSIT family the best quality in terms of logistics, facilities, accommodation and touristic options, in order to promote, through sport, opportunities of fun, socialization and wellbeing.

Soon, we will inform you about the dates and the new location of the WSG-Edition of 2021, that will be live up to it and will provide a huge participation of CSIT partners, which will join us to share the experience of WSG.

Moreover, I would like to inform you, that the Executive Committee members agreed on the need to postpone the deadline of the payment of CSIT Membership Fees until the 1<sup>st</sup> of October 2020, therefore those Member Unions, which have not yet paid, can contact directly our **treasurer Mr. Christian Vifian** (to: [vifian@csit.tv](mailto:vifian@csit.tv); [office@csit.tv](mailto:office@csit.tv)), in order to agree on the provision of the contribution, that is vital for the sustainability of our Confederation, especially for the current year.

Dear friends,

therefore, I hope to meet you and your delegations in the next edition of the CSIT World Sports Games.

In the meanwhile, I also inform you, that the Executive Committee members have decided, that because of the current measures to contain the Pandemic, the CSIT Congress 2020, to be held on October 30<sup>th</sup>, will be organized through an **online** platform. Nevertheless, as soon as we have finalized the contractual agreements for the next WSG we are about to arrange the visit of the TC-Members to the sport facilities, on location.

My warm regards,
